ACADEMIC POSITIONS

Assistant Professor **2022-Present**

University of Wisconsin-Platteville
Environmental Sciences and Society Department

Postdoctoral Scholar in Public Political Ecology **2020 – 2022**

University of California, Merced
Management of Complex Systems Department | Mentor: Tracey Osborne

EDUCATION

Ph.D. | Environmental Science, Policy & Management **July 2020**

University of California, Berkeley
Society & Environment Division
Dissertation title: “Plants & Pathways: More-than-human worlds of power, knowledge, and healing”

M.S. | Graduate Degree Program in Ecology **May 2012**

Colorado State University
Thesis title: “Timing is important: The seasonality of precipitation can influence how ecosystems respond to grazing”

B.S. | Biology & Mathematics **May 2006**

Tufts University
magna cum laude

RESEARCH POSITIONS

University of California Center for Climate Justice/ UC Merced

Associate Researcher **2022-Present**

Postdoctoral Researcher **2020 – 2021**

Kawsay Ñampi: Indigenous-led Climate Change Mitigation in the Amazon Rainforest | PI: Tracey Osborne

Alianza Arkana | Pucallpa, Peru

Research Coordinator 2017 – 2019

Affiliate Researcher 2014 – 2019

Community-Based Participatory Research with Shipibo communities and community projects. Advising and coordinating other affiliated researchers.

Chinese Academy of Sciences | Institute of Tibetan Plateau Research | Tibet

NSF East Asia & Pacific Summer Institute 2011

“Grazing and climate change: Does the timing of seasonal water availability influence sensitivity to yak grazing on the Tibetan Plateau?”

Shortgrass Steppe LTER | Nunn, CO

Graduate Student Researcher 2010 – 2011

Nutrient Network Experiment | PIs: Cynthia Brown and Julia Klein

USDA Agricultural Research Service | Fort Collins, CO

Biological Sciences Technician 2009

Rangeland Resource Research Unit, Prairie Heating and CO₂ Enrichment (PHACE) Experiment | PI: Dana Blumenthal
